

October 29, 2017 RNBRA AGM Sussex, NB
Report from the 1st Vice President Steven Stewart

I serve the RNBRA on committee's and with activities that fall outside the scope not specific to sections. I promote the shooting disciplines to our clubs, do workshops and help them organize these activities.

In 2017 I, along with Debbie Craig and others, completed the funding application to the NB government.

Some of the RNBRA trophies for pistol, shotgun and smallbore shooting, that we compete for, are one of the things that I see get to look after during the year. Not all of these awards have been competed for as of yet this year. I can report the following awards:

Pickerell Shield – RNBRA 2017 Revolver Champion – Maj. Mike Partridge
Magnusson Challenge Trophy – Practical Pistol Champion (Production) – Matt Lirette
Champion Practical Pistol Shooter of NB – (Standard) – Trevor Furlotte

Other reports will be read as per our agenda.
