

2017 RNBRA AGM Report on Shotgun Championship

This year's Shotgun Championship went very well thanks to the Fredericton Trap and Skeet Club; a well-run organization and facility. The championship is comprised of three disciplines: 50 shots Skeet, 50 shots Trap and 100 shots Sporting Clays.

The RNBRA is the only organization at this time that holds an all-round, three discipline shotgun championship.

The results of this championship can be seen on the Fredericton Trap and Skeet Club website.

This championship will be held at this club in 2018. For the RNBRA, this competition is revenue neutral.
