

St Croix Sportsman Club 2016/17 Activity

Submitted by RNBRA representative Andre Levesque

The St Croix Sportsman Club elected a new executive last fall. The club held monthly action shootings and hosted a provincial IPSC Level 1 shoot in August 2017. The club held its first corporate day (Stoeger Day) with a display by Stoeger and The Gun Dealer. The range has expanded its lease from 15 acres to 48 acres, and comprises a 100m range, 2x50m ranges, and newly developed 25m and 300m ranges. These have been inspected and are awaiting DPS certification. The club currently has 202 members.
